**Photos cont.:**

**Marking:**

The packaging shall be marked in a clear and permanent way:

$\begin{pmatrix} u \\ n \end{pmatrix}$  4H2/Y18.5/S/Year/DK/ETi-18004/Firm or logo

$\begin{pmatrix} u \\ n \end{pmatrix}$  4H2/X13/S/Year/DK/ETi-18004/Firm or logo

Year to be replaced with two last digits of the manufacturing year.

**Basis for the  
Type Approval:**

Test report	Date	Issued by	Scope
797516	6 March 2018	Danish Technological Institute	Type testing
	15 March 2018	Danish Technological Institute	Added new colour
807482	11 April 2018	Danish Technological Institute	Selective testing

The test showed that the packaging complied with test requirements for packaging type 4H2 according to the transport conventions ADR/RID, ICAO and IMDG. The test is performed for solid goods that do not adversely affect the packaging materials and for packing group(s) according to the marking.

**Validity:**

The Type Approval is valid for road, rail, air and sea transport according to the agreement referred to below. **The Type Approval is valid until 11 April 2023.**

**Conditions for  
maintenance  
of the Type  
Approval:**

Agreement for periodical control is formed between the holder of the Type Approval and the Danish Technological Institute, Plastics and Packaging Technology. The copy of the Type Approval must, if necessary, be shown to secure that the packages have been tested and approved.

**Agreement of  
the Type  
Approval:**

Referring to authorisation from the Danish Emergency Management Agency, the Danish Transport and construction Agency and the Danish Maritime Authority, Authorization no 2012006595, concerning the above-mentioned form(s) of transport, the Danish Technological Institute, Plastics and Packaging Technology herewith issue the Type Approval of the above-described packaging.

Taastrup, 21 April 2018

	
Signatory	Co-reader

**This Type Approval replaces the Type Approval dated 15 March 2018**
